

REMARKS

Applicant respectfully notes that the published copy of International Application No. PCT/CA03/00352 was inadvertently published by WIPO without an abstract. This came to Applicant's attention on September 10, 2004. Applicant's Canadian counsel promptly sent a request to The International Bureau of WIPO to correct this issue and have the International Application republished with the abstract on September 10, 2004, a copy of which is attached hereto as Exhibit A. A copy of the abstract as originally filed is attached hereto as Exhibit B. No new matter has been added to this application. For the convenience of the Office, Applicant has also attached a copy of the abstract to the application as well, even though the application was not published with the abstract.

Applicant believes that all pending claims are allowable and respectfully requests a Notice of Allowance for this application from the Examiner. In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (317) 713-3500.

Respectfully submitted,
